MidNJ ATD Chapter is excited to offer a unique opportunities for organizations to get in front of our members. Our membership is diverse, with talent development professionals that cross multiple sectors from corporate to higher ed and job titles from Vice Presidents of Learning and Development to Consultant. With our expanded yearly sponsorship package, we are able to provide year round visibility to our members, and include an opportunity for in person sponsorship at our annual showcase.

ABOUT THE CHAPTER

OUR MISSION

The mission of the Mid NJ ATD Chapter is to empower our members to positively impact their communities, its people and organizations, by improving training and talent development programs.

We do this by:

- *Connecting professionals.*
- *Sharing knowledge and practices.*
- *Developing foundational knowledge and expertise.*
- *Growing opportunities.*

OUR SHOWCASE

Our showcase has been a staple of our programming for the past 12 years. Unlike many conferences, summits, and other events you have attended, the Mid NJ ATD Chapter Showcase has placed its focus on advancing learning through technology. With past showcases tackling topics such as hybrid learning, blended learning, social learning, and utilizing the latest technology to engage audiences, the showcase is our most highly anticipated and attended event of the year! We are looking forward to continuing our partnership with Rider University in 2023 and hosting our next showcase on campus!
